1. This Program is available to cardholders ("Participant") whose Sponsor (i) has enrolled as a sponsoring member of PSCU and (ii) has contracted with PSCU for this Program for the Participant. All Program Rule determinations by PSCU are final. The Participant's use of their card(s) following receipt of these Rules will indicate their agreement to comply with and abide by these Rules.
2. Every dollar in qualifying purchases, net of returns, "Participant" charges to their credit card account eligible in this Rewards Program ("Program") earns Participant Points ("Point") as provided for in these Rules. No points are earned for finance charges, fees, balance transfers, cash advances, convenience checks, foreign transaction currency charges, or insurance charges posted to their account. Charges or transactions may be added to, or removed from, the above lists of eligible charges and transactions from time to time at the sole discretion of the Program. Any questions as to what constitutes an eligible charge shall be resolved at the sole discretion of the Program. Points for this Program begin to accumulate with purchase Participant makes beginning on the first day of the billing cycle in which their Program begins and ending on the last day of the last billing cycle of the announced duration of their Program. Points earned from net purchases, and point adjustments made between billing cycles, will be deemed as earned after being posted to their next monthly card statement.
3. Visa Platinum cardholders: Participant will earn 3x the points for every dollar in qualifying purchases, net of returns, made at U.S. supermarkets and wholesale clubs* and 2x the points for every dollar in qualifying purchases, net of returns, made at gas stations*, and one point for every dollar in qualifying purchases, net of returns, on all other purchases.

*Merchants who accept your Platinum card are assigned to categories based on their primary business type (i.e. supermarkets - 5411, wholesale clubs = 5300, gas stations = 5541 and 5542). We do not control the category code merchants choose. We may use merchant categories to identify which purchases qualify to earn extra reward points. From time to time, purchases may be prevented from earning extra reward points because a merchant chose a non-qualifying category.
4. Visa Signature® cardholders: Participant will earn 2x the points for every dollar in qualifying purchases, net of returns.
5. A maximum of 250,000 points may be earned in one calendar year.
6. Points will expire five years from the end of the calendar year in which they are earned, and will expire on a first-in, first-out basis annually. (i.e., points earned in calendar year one will expire on the last business day of calendar year five.) For example, if points exist on an account in 2016, 2016 is considered calendar year one, 2017 is considered calendar year two, 2018 is considered calendar year three, 2019 is considered calendar year four, and 2020 is considered calendar year five. Points from 2016, calendar year one, will expire after December 31, 2020, which is the end of calendar year five.
7. Points can be used to order the awards described in the current brochure or the program web site, which may be updated from time-to-time. Point requirements assigned to any award are subject to change from time to time without notice, and awards may be discontinued or substituted at any time. Award suppliers have agreed that, to the best of their ability, merchandise featured in this Program will be available in sufficient quantities to meet expected demand. However, there may be instances in which product demand exceeds supply, in which case the Program reserves the right to substitute a similar item of equal value or withdraw the offer for that product. If it is not replaced Participant will be advised to make an alternate selection.
8. Accounts must be open and in good standing (not canceled or terminated by either party; not delinquent, over limit, or otherwise not available for use) at time of redemption. Awards are not available when a cardholder is in default under the card agreement. The sponsoring credit union reserves the right to suspend the cardholder's participation in the program until the account is in good standing.
9. The Program reserves the right to terminate the Program or portions thereof at any time without restriction or penalty. This means that regardless of a Participant's level of activity in the program, the ability to accumulate points or claim awards can be terminated with or without prior notice. The redemption value of Points already accumulated, may be changed at any time without notice and without restriction or penalty.
10. The list of merchandise, airlines, hotel, rental car, cruise or tour companies and any other listed award available in the Program is subject to change and may be discontinued all or in part without notice.

16. Points will be deducted from the total points available for redemptions and for any returns or credits associated with the account. Points deducted for credits to an account will be at the same rate at which the original charges earned those points. The Participant's credit card account may be charged for the actual cash difference between the cost of the award redeemed and the net value of the actual points available for redemption in the event the Participant redeems unearned Points.
