

General Electric Credit Union Fee Schedule

Effective 6/13/2018

Any fees charged against a member's account(s) will reduce the APY.

When you use an ATM not owned by us, you may be charged a fee by the ATM operator or any network used and you may be charged a fee for a balance inquiry even if you do not complete a fund transfer.

There are no charges levied against any of our accounts other than what is listed below. Each item is quoted on a "per item" basis.
