*\*Barron's Magazine, August 2009. From R.J. Shook, industry researcher and based on advisors who follow best practices and have the biggest books of business. The scoring system assigns a value of 10 to the top advisor, then the others' scores by comparing each with the number one finisher of assets under management, revenue, customer satisfaction and other factors. Portfolio performance is not a factor. Please see [www.wcorg.com](http://www.wcorg.com) for more information. The Winner's Circle does not receive compensation from financial advisors, the participating firms, its affiliates, or the media, in exchange for ranking. These ranking and awards may not be indicative of future performance. Working with a highly-ranked adviser does not ensure that a client or prospective client will experience a certain level of performance or results. These rankings should not be construed as an endorsement of the adviser by any client nor are they representative of any one client's evaluation.*
