This credit union is federally insured by the National Credit Union Administration.

General Electric Credit Union is an Equal Opportunity Lender.

Membership & Shares

Federally Insured

Membership

As a General Electric Credit Union (GECU) member, you own an equal share of your financial institution and you reap the rewards of its success.

Not only is this the best place for your hard-earned money, but by making your initial \$5 share deposit into a Share/Savings account, you'll have access to all the privileges of GECU membership. The \$5 represents your share in the credit union; you are a shareholder. All members have equal access to our products and services, and as a member, your immediate family members (i.e., spouse, parents, children, siblings, grandparents, etc.) are eligible to join.

Plus, once you become a member of GECU, you can always be a member as long as you keep your share in the credit union.

Your deposits are secure; deposits are federally insured up to \$250,000 by the National Credit Union Administration.

Joining is Easy

After eligibility is determined, there are numerous ways to join the credit union!

- Visit a GECU office that is convenient for you.
- If eligible through your employer, ask the person responsible for your benefits for a membership packet.
- Go to our website (www.gecreditunion.org) and print the application found under, "Apply."
- Contact a Member Service Representative and ask them to mail you a membership packet.

Share/Savings

Membership begins with a simple savings account to help you save for something special; and, it provides you with all the benefits we have to offer. Access to this account is available: at every office, by using Online Banking, Sourceline, or through an ATM.

Share Certificates

This is an excellent method of building savings for future cash needs. With a low-minimum balance to open our Share Certificates (jumbo certificates have a higher minimum balance), you can take advantage of various fixed terms that work best for you. Plus, as a convenience to you, your Share Certificate will automatically renew at maturity at the prevailing rate (unless you choose otherwise).

Money Market Plus Account

Become a smart saver and investor with our Money Market Plus account. This is the account for you if:

- You want to earn a high yield without the high risk of an uninsured brokerage account.

- You want to earn more than you can from a conventional savings account or other insured money market accounts.
- You'd like access to these funds via: checks, ATMs, or at any GECU office.

Christmas & Vacation Club

Start saving for the holiday season and your next vacation! These accounts can help relieve the stress of saving money for these special times. Payroll deduction is a great way to increase your savings in these accounts.

Individual Retirement Accounts (IRAs)

IRAs are a smart option for saving for retirement. And, they are federally insured through the National Credit Union Share Insurance Fund **up to \$250,000**. We offer:

- **Traditional IRAs**
- **Roth IRAs**
- **Educational IRAs**
- **IRA Certificates** help build your retirement fund with a guaranteed fixed rate of return. You may choose from various terms with low minimum balances. Plus, as a convenience to you, your IRA Certificate will automatically renew at maturity at the prevailing rate (unless you choose otherwise).
- **The IRA Passbook Account** helps build your retirement fund and all it takes is \$5 to open.

For additional information on membership, joining, or our deposit products, please visit our website at: www.gecreditunion.org or contact us during normal business hours.

Because We Can!
