

Protect your lifestyle and your ride with an A+ vehicle service protection plan from Alpha Warranty Services. We cover the parts and service needed to keep you on the road.

OUR BEST COVERAGE

Eligibility	Up to 15 model years and up to 175,000 miles.
Coverage	Mid-level coverage with up to 260 parts with NADA limits of liability. Coverage starts day one for vehicles under 80,000 miles. Day One option is available for vehicles with higher eligible mileage. Increase your coverage by selecting the A+ Enhanced option.
Terms	1 - 7 years with unlimited miles .
Ideal For	Drivers looking for affordable mid-level coverage for gas and electric vehicles with excellent options and no mileage term restrictions.

EV COVERAGE | HYBRID / ELECTRIC VEHICLE

- High voltage drive battery
- Power inverter assembly
- Drive motor assembly
- Generator array
- All EV/hybrid system control units and sensors

BENEFITS

-  Award-winning customer service and claims departments.
Customer Service Department of the Year - American Business Awards.
-  A first-class customer rating on Google.
- Thousands of satisfied customers have given us a 4.4-star rating.
-  Coverage for electric and hybrid vehicles.
-  Nationwide coverage.
-  Increased resale value.
-  Roadside assistance.
-  Rental car assistance.

Exclusive member benefit, offered by:

**General Electric
Credit Union**

To add or cancel coverage, call:
513.243.4328 | 800.542.7093

OUR MID-LEVEL COVERAGE

WITH MORE THAN 260 PARTS COVERED

The A+ plan offers coverage for both standard and electric vehicles within the areas listed above. Additional coverage maybe added with the A+ Enhanced option and optional coverage for drive battery pack and Hi-Tech parts. Please refer to the contract for parts specifically covered under the A+ plan.

COVERAGE FOR GAS VEHICLES

- Engine
- Transmission and transfer case
- Cooling
- Drive axle
- Air conditioning
- Electrical
- Fuel system
- Turbo or supercharger
- Steering
- Seals & Gaskets

ENHANCED SEALS & GASKETS (OPTIONAL)

- Seals & Gaskets

A+ ENHANCED (OPTIONAL)

- Enhanced cooling
- Enhanced fuel
- Enhanced suspension

COVERAGE FOR ELECTRIC VEHICLES

- EV powertrain
- EV transmission
- Cooling
- Drive axle
- Air conditioning
- Electrical
- Steering
- Brakes
- Suspension

ENHANCED SEALS & GASKETS (OPTIONAL)

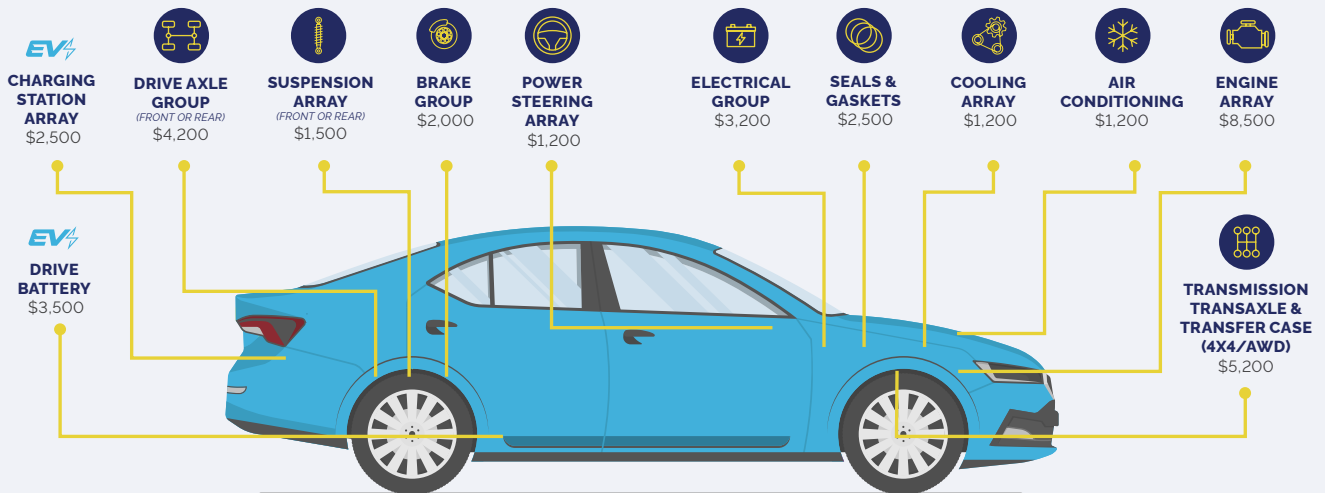

- Seals & Gaskets

A+ ENHANCED (OPTIONAL)

- Enhanced cooling
- Enhanced electrical
- Enhanced suspension

AVERAGE PART COSTS

COVERAGE FOR GAS VEHICLES

Listed below are the parts covered under the A+ contract for standard vehicles. Please see contract for parts and repairs not covered.

ENGINE: All Internally lubricated parts including: balance shaft bearing, balance shaft bushing, balance shaft, cam followers, oil pump housing, rocker bushings, cylinder barrels, eccentric shaft, camshaft and bearings, lifters, rocker arms, rocker shaft, timing gears, timing chain, pistons, piston rings and pins, connecting rods and bearings, crankshaft and main bearings, oil pump, pump gears and pickup screen, push rods, intake and exhaust valves, valve guides, valve springs, valve locks, valve retainers, valve seals, valve seats. Harmonic balancer, exhaust manifolds, engine torque strut, engine mounts, intake manifold, and timing belt.

TRANSMISSION AND TRANSFER CASE: All internally lubricated parts of the transmission, transaxle and transfer case including: bushings, main shaft washers, oil pump, output shaft, drive chain gears, drive chain, shift bushing, drum, planetaries, sun gear, shell, shafts, bearings, shift rails, forks, and synchronizers. Flywheel, flexplate, torque converter, valve body, transmission solenoids, shift linkage, vacuum modulator, throttle position sensor, and transmission mounts.

COOLING: Water pump, thermostat, electric radiator fan motor, fan clutch, and coolant recovery reservoir.

DRIVE AXLE: All internally lubricated parts of the differential (both front and rear) including: bearings, bushings, oil pump, ring and pinion, washers. Universal joints, locking hubs, axle shafts, propeller shafts, constant velocity joints, double offset joints, and drive shaft center bearings.

AIR CONDITIONING: Compressor, compressor clutch, clutch bearing, accumulator, receiver drier, orifice tube, compressor seals, idler pulley, field coil, condenser, evaporator core, expansion valve, pressure cycling switch, accumulator, and inside ambient temperature sensor. Evacuation and recharge is only covered if necessary for a covered repair.

ELECTRICAL: Alternator, starter motor, starter motor solenoid, power window motors, power window regulators, voltage regulator, horns, neutral safety switch, reverse indicator switch, turn signal switch, distributor, cruise control switches, wiper motors, washer pumps, ignition igniter, ignition module, coil packs, power seat motors, crankshaft position sensor, headlamp switch, blower motor speed switch, ignition switch, ignition switch lock cylinder, knock sensor, and stop lamp switch.

FUEL SYSTEM: Fuel pump, fuel injection pump, and metal fuel delivery lines.

TURBO OR SUPERCHARGER: All internally lubricated OEM parts of the turbo or supercharger.

STEERING: All internally lubricated parts of the steering rack and pinion gear. Steering box, steering pump, electric power steering motor, drag links, idler arm, internal tilt wheel mechanism, pitman arm, steering column shafts, couplings, and tie rod ends.

SEALS & GASKETS: Intake manifold gaskets. All other seals and gaskets are only covered if necessary for a covered repair. Minor loss of fluid or seepage is not considered a mechanical breakdown and is not covered.

BRAKES: Master cylinder, wheel cylinders, power brake booster, proportioning valve, and disc brake calipers.

SUSPENSION: Stabilizer, stabilizer bar links, sway bars, sway bar links, and spindles. Leaf and coil springs are only covered if they are broken.

OPTIONAL COVERAGE

SEALS & GASKETS: Seals and gaskets of covered parts on vehicles with up to 175,000 miles at the time of sale. Minor loss of fluid or seepage is not considered a mechanical breakdown and is not covered.

A+ ENHANCED FOR GAS VEHICLES (OPTIONAL)

ENHANCED COOLING: Radiator, heater core and heater control valve.

ENHANCED FUEL: Fuel injectors, fuel sending unit, and fuel tank.

ENHANCED SUSPENSION: Wheel bearings, hub assemblies, control arm shafts, control arm bushings, and ball joints.

DID YOU KNOW?

There are around 30,000 parts on an average passenger vehicle making them some of the most complex machines we depend on every day.

COVERAGE FOR ELECTRIC VEHICLES

Listed below are the parts covered under the A+ contract for electric vehicles. Please see contract for parts and repairs not covered.

EV POWERTRAIN: All electrical powertrain parts, for example: traction motor or drive motor, converters, inverter, stator, rotor, damper, engine torque strut, engine mounts.

EV TRANSMISSION: All internally lubricated parts of the transmission and transaxle, for example: bushings, main shaft washers, oil pump, output shaft, drive chain gears, drive chain, drum, planetaries, sun gear, shell, and bearings. Shift linkage, valve body, transmission solenoids, throttle position sensor, transmission mounts. Transmission and transaxle cases are only covered if damaged by an internally lubricated part of the transmission or transaxle.

COOLING: Water pump, thermostat, electric radiator fan motor, coolant recovery reservoir.

DRIVE AXLE: All internally lubricated parts of the differential (both front and rear), for example: bearings, bushings, oil pump, ring and pinion, washers. Axle shafts and constant velocity joints.

AIR CONDITIONING: Compressor, compressor clutch, clutch bearing, accumulator, receiver drier, orifice tube, compressor seals, idler pulley, field coil, condenser, evaporator core, expansion valve, pressure cycling switch, accumulator, and inside ambient temperature sensor. Evacuation and recharge is only covered if necessary for a covered repair.

ELECTRICAL: Compressor, compressor clutch, clutch bearing, accumulator, receiver drier, orifice tube, compressor seals, idler pulley, field coil, condenser, evaporator core, expansion valve, pressure cycling switch, and inside ambient temperature sensor. Evacuation and recharge is only covered if necessary for a covered repair.

STEERING: All internally lubricated parts of the steering rack and pinion gear. Steering box, steering pump, electric power steering motor, drag links, idler arm, internal tilt wheel mechanism, pitman arm, steering column shafts, couplings, tie rod ends.

BRAKES: Master cylinder, wheel cylinders, power brake booster, proportioning valve, disc brake calipers.

SUSPENSION: Stabilizer, stabilizer bar links, sway bars, sway bar links, spindles. Leaf and coil springs are only covered if they are broken.

OPTIONAL COVERAGE

ENHANCED SEALS & GASKETS FOR ELECTRIC VEHICLES: Seals and gaskets of covered parts on vehicles with up to 175,000 miles at the time of sale. Minor loss of fluid or seepage is not considered a mechanical breakdown and is not covered.

A+ ENHANCED FOR ELECTRIC VEHICLES (OPTIONAL)

ENHANCED COOLING: Radiator, heater core and heater control valve.

ENHANCED ELECTRICAL: Drive motor capacitor, voltage converter module, charging port.

ENHANCED SUSPENSION: Wheel bearings, hub assemblies, control arm shafts, control arm bushings, and ball joints.

ELECTRIC OR HYBRID OPTIONAL COVERAGE

DRIVE BATTERY PACK: Electric or hybrid drive battery pack.

HI-TECH: DVD players, Blu-Ray players, CD players, infotainment or media control unit, LCD screens, parking sensors, cameras, Bluetooth® and other phone communication systems, alarm systems, collision avoidance systems, key-less entry system, satellite communication systems (e.g., Onstar), driver information displays, internet access systems, lane departure warning systems, blind spot detection systems, park assist systems, tire pressure monitoring systems, adaptive cruise control system, radio, powertrain control module.
