OUR BEST COVERAGE

WITH MORE THAN 750 PARTS COVERED

PriorityOne Unlimited is Alpha Warranty's exclusivity coverage. This plan covers most parts on your vehicle, with only a small number of exclusions listed in the contract. PriorityOne Unlimited offers many benefits including dedicated PriorityOne support lines, and options for commercial and lifted vehicle coverage.

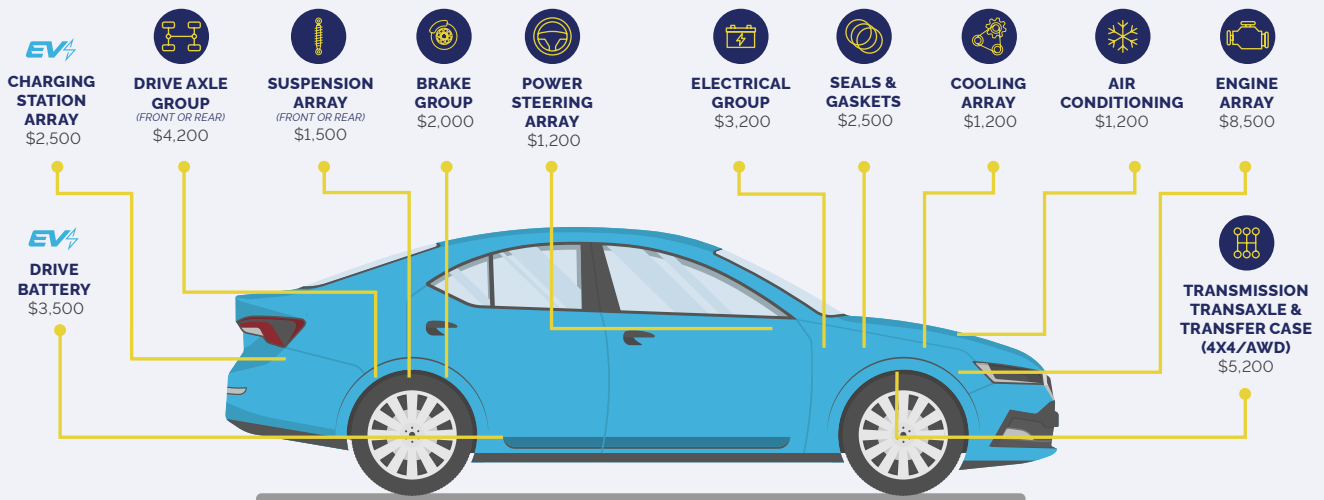

WHAT IS NOT COVERED

Common maintenance, services, and repairs that are not covered include, but are not limited to: brake pads, catalytic converter, cosmetic issues, light bulbs, oil changes, seat belts, tires, tire rotations, transmission flushes, upholstery, windows, or windshield. See contract for full list of excluded items.

DID YOU KNOW?

There are around 30,000 parts on an average passenger vehicle making them some of the most complex machines we depend on every day.
