Our FREE Checking account is simple to understand and full of the benefits needed to successfully manage your finances.

A checking account is one of the most commonly used financial products. *Why not choose one that makes handling your everyday finances clear-cut and easy?*

Your GECU checking account will work for you with a tiered dividend structure, depending upon your balance. You'll also find: there is no per check charge, we post deposits before withdrawals, checks are cleared from lowest to highest, and we don't charge for transactions made in person or over the phone.

Convenient Access

These days, convenient access to your account(s) is essential. Our Online and Mobile Banking options make around-the-clock access to your funds a reality. Transfer funds, pay bills, deposit checks, set-up alerts, and so much more! We also offer digital wallet solutions for our debit card to securely and conveniently make online, in-store, or in-app purchases.

Members have access with no fees at GECU ATMs. Plus, there's also access through thousands of surcharge-free ATMs, at any 5/3 Bank and Alliance One Network ATM.⁶
