

INVESTMENT SERVICES

through CUSO Financial Services, L.P.*

Building a plan for your financial future.

Life is filled with tough decisions regarding your financial future, especially when important events happen. When those big moments take place, it's a good idea to have a plan in place so you can navigate through life's surprises, curveballs, and joyful moments.

Your personal goals and dreams mean everything to us — that's why we've contracted with CUSO Financial Services, L.P. (CFS)* to offer you the experience and resources you need, combined with the strategies and solutions to fit your life goals.

Why choose Investment Services through CFS*?

+ Committed to your best interests.

We maintain the high quality standards of ethics, security, and transparency.

+ Tailored to your needs.

We take the time to learn what you need instead of fitting you into an existing box. The advisors work with you to craft flexible solutions that add value above and beyond.

+ Providing seamless delivery.

Our knowledge, experience, and technology help us consistently deliver high quality results.

+ Offering proactive support.

People make the difference. We work to help you move forward, offering new ideas and potential opportunities along the way.

+ Providing industry knowledge.

You'll receive industry-related investment information each month, including market reviews and activity.

+ View your accounts online.

Wherever you are, you'll have convenient access to view your investment accounts, including history, statements, and documents, all within Online Banking.

We specialize in a variety of areas including:
