MAKING FREE PAYMENTS
A quick guide to making payments.

Whether it's your electric bill, credit card, or General Electric Credit Union (GECU) loan, we have free payment methods to help you pay bills on time, every time! Use this guide to make managing all your bills a little easier.

Making a GECU loan payment for free:

The chart below shows two completely free ways to make your monthly payment using Online Banking or our mobile app.*

If you plan to pay your GECU loan:	Here's how to set it up:
Directly from a GECU checking account.	- In Online Banking, hover over **Move Money** and select **Make/Schedule a Payment.** - On the mobile app, tap **Transfers.** - Enter the account you wish to pay from, the payment date, and amount. Submit your payment.
From an external account.	- In Online Banking, hover over **Move Money** and select **External Transfer for Payment.** - On the mobile app, tap **More**, select **Loan Payment**, then tap **pay from bank account**. - For your first payment, you will need to select **Add an External Account** and enter the routing and account number for the account you wish to use. *Note: This account will be stored for future payments.* - Once your external account has been added, enter the amount you wish to pay, the payment date, and submit your payment.

Tip: Make payments recurring within Online Banking or our mobile app when you select the box next to **Repeat** before continuing your payment.
